

Be at your bus stop early. Your clock might be different than ours. Play it safe and get to the stop a few minutes early (5 minutes is plenty). Our buses do not run ahead of schedule, but they may be slightly delayed by traffic or other issues out of our control.

Have your fare ready. When you get on the bus with cash, have it ready when the bus arrives. Drivers cannot make change, and they cannot recover money from the farebox if you put too much in!

Stand safely and visibly at the stop. Don't stand behind a telephone pole or other objects. It helps to move around a little bit or wave as the bus approaches. Also, be sure to stay away from traffic. If there's nowhere safe to stand next to the bus stop sign, find the nearest driveway on the same side of the street.
