### New Supervisor Course 3737

This course is designed to provide knowledge and training which will enhance supervisory and leadership skills when supervising subordinates. During this three day course, participants will be presented ideas and techniques to assist them in becoming more professional and confident in the application of their supervisory and leadership skills. Additional topics include values, ethics, principles, communication, leadership styles, cultural diversity, racial sensitivity, planning and organizing. ***TCLEOSE requires all officers who are in a supervisory position to take this course within 24 months of taking that position. You do not have to be a supervisor to take this course and it meets the requirements for the Special Investigative Issues 3232 and the Cultural Diversity 3939 courses.***
