3181 State and Federal Law Updates

This is the latest *TCLEOSE* mandated course designed to provide law enforcement officers with an update of recent statute changes and additions provided by the 81st Legislature. Recent Supreme Court decisions that impact important issues such as search and seizure, detention, etc., are also included in this course as these cases may impact the function, policy, and procedures of law enforcement officers and law enforcement administration.

All officers must complete this course at least once during both training cycles (09/01/2009-08/31/2011) and (09/01/2011-08/31/2013).
