DEVELOPMENT APPLICATION SUBMITTAL
PROCESS & REQUIREMENTS

ZONING CHANGE

The following list of submission requirements should be used by the applicant as a guide in preparing a complete zoning change application. The City will also use the checklist to verify the completeness of the application at the time it is submitted.

Applicants are responsible for submitting complete applications. Incomplete applications will result in the application being rejected for acceptance or lengthen the development review process.

- **Application:** A completed development application including all required signatures.

- **Application Fee:**
  - District Requested Fee
  - Any district except S-P or I (P.U.D.) $250.00
  - S-P for area less than five acres $300.00
  - S-P for area of five acres or more $350.00
  - District I (P.U.D.) $400.00

- **Tax Certificate:** A current tax certification for each parcel indicating all taxes on the subject property have been paid to each taxing unit and for the current year (available from the Galveston County Tax Assessor's Office).

- **Applicant’s Statement:** A typed summary of the request including the reason for requiring a zone change and the type of land uses. The statement shall include whether or not the property is covered by any restrictive covenants of record in Galveston County. If these covenants exist, the general terms of such shall be indicated.

- **Zoning Exhibits:** 13 copies of a graphic zoning exhibit for single-family, single-family attached, or duplex dwellings. See attached submittal requirements for required information. The exhibit must be drawn to a scale at which all details of the drawing are legible after the drawing has been reduced to 8½” x 11”. Please note that upon consultation with the City Planner, a detailed site plan may be required in lieu of a zoning exhibit.

- **Detailed Site Plans:** 13 copies of a detailed site plan if required to be submitted in conjunction with a zoning change application. See the submittal requirements for Detailed Site Plans.
